Experience

PATH, Inc. - Communications Director 2008 - 2014

- I effectively marketed the company using graphic design, web design, and audio/visual stimulation
- Projects I worked on include: newsletters, e-newsletters, email marketing, brochures, posters, booklets, flyers, print ads, logos, website, web icons, web ads, video ads

SJE Media - Owner 2008 - Present

- Through SJE Media, my freelance company, I design various marketing pieces for local businesses
- Projects I worked on include: logos, posters, brochures, business cards, websites

The Smart Design - Web Designer 2008 - 2010

- The Smart Design was a web template club in which clients purchased uniquely designed web templates. I designed a variety of web templates.
